Yom Tov 5745
September 1984

Dear Member:

In a few days, Jews will gather in synagogues to observe Yom Kippur. As we recite the Yiskor Prayer, we will recall our parents, relatives and friends who are no longer with us.

But Yiskor is more than just a reminder of the past. It is a summons to serve our people. It is a prayer whose key component is "tzedakah", as we act not only with prayers, but with deeds.

Your donation to the 'Yiskor Appeal' of the Jewish National Fund will enable the vital work of land reclamation, road-building, infrastructure preparation and tree-planting to continue. It will give meaningful expression to your prayers by linking the names of your dear ones with constructive efforts to strengthen the land and ensure a secure future for our people.

Please respond on the attached form. Income Tax receipts will be issued for all contributions and your donation will help complete the Grove in Canada Park, in Israel, undertaken by the members of the Beth Hamedrash Hagadol-Tifereth Israel synagogue.

May you and your family be blessed with a New Year of Health, Happiness and Peace.

Sincerely yours,

Ben C. Milner
